

REMARKS

Claim 9 is now pending in the application. The Examiner indicated that claim 9 would be allowable if rewritten to include the limitation of the claim (i.e. claim 8) from which it depends, and that a word change is required for base claim 8.

Accordingly, Applicant has amended claim 9 to include the limitations of the base claim and has amended the base claim by making the requested word change. Also, claim 8 has been cancelled. Therefore, claim 9 should now be in condition for allowance.

CONCLUSION

It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is requested to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
